- Volleyball season is just around the corner! Starting next week, we will be holding grade-level volleyball sign-ups and lunchtime play sessions on the following days: Tuesday - Grade 7, Wednesday - Grade 6 and Thursday - Grade 8. These sessions will run over the next few weeks as we get ready to begin tryouts for our competitive (comp.) teams. If you are unable to attend your grade-level lunchtime session due to other lunchtime commitments, please be sure to sign up anyway so we know you are interested in playing! As part of the sign-up process, you will also be asked about your team preferences. You can indicate whether you are interested in playing comp. only, rec. only, or are open to either option.
