

# GHMS DAILY ANNOUNCEMENTS

Wednesday, December 7, 2016

## BASKETBALL

- Congratulations to our Grade 6/7 Girls Basketball team who finished this year off by playing the best game of their season and winning over PCS in an exciting game last night! Way to go girls, we're very proud of your efforts and accomplishments this year!
- BIG GAMES TONIGHT!!!! Our Senior Boys play for the City Championship tonight at Royal Oak at 5:15 vs Monterey Middle School.
- Our Senior Girls host Royal Oak in our own Gym tonight at 5:15 for the Girls City Championships. We hope lots of you can attend either game to respectfully but loudly cheer on your Grizzlies!
- Grade 6/7 Boys Competitive team host the final tournament tomorrow.  
GO GRIZZLIES!

## Quiet Week

- Shhhhhhhh All Grizzlies are encouraged to be quiet, extra respectful and studious this week as we prepare to have grades submitted to the office on Friday.

## Ice and Snow Days:

- Dear Polar Bears...we know West Coast kids are deprived of snow and ice - and all that is fun about that part of Winter for most Canadians. Please be responsible and careful when those two frozen water fun fests appear! There were *too many accidents yesterday* with students racing around on ice before we had extra salt to make our walks and play areas safer. Be extra careful!!
- If it does snow tomorrow, we will allow play in the snow BUT will require play to be safe and respectful...

## Table Tennis and Foosball:

- Mr. Khosla and Mr. Luchies are working to bring more activities into our common areas. Make sure you use the equipment responsibly and make sure everyone gets a turn who wishes one

. . . 2

Have a great day!

# GHMS DAILY ANNOUNCEMENTS
