Thank you to all GHMS students who helped pick up garbage around the school yesterday. Keep up the good work in keeping our school clean. Shout out to **Daniela and Katelyn** for being fantastic helpers yesterday.

Teachers please have students use the **library printer** if needed. Please only use the office printer if the library printer is not working.

All students and staff **wearing an orange shirt today**: Please join us for a photo in the games area at 12:15 after you eat your lunch as we show our empathy for residential school survivors.

All **Leadership students** who are participating in Moon Fest AND who are hoping to go to We Day need to see Ms. Racansky in her classroom after the eating portion of lunch for a VERY important meeting!!"

We are out of **ping pong balls** - students are not returning them. Please be kind and return the ping pong balls so everyone can enjoy the game.

Dance Performance Group meets after school today from 3:00 to 4:00 pm in the Dance/Drama Room
