The Hollow Log

The **Hollow Log** will **NOT** be open at lunch today, but it will be open tomorrow.

Thank you to all of our customers yesterday who did a great job waiting in line at the Hollow Log and being respectful. Please remember to put your garbage in the the garbage bins and your popcorn bags in the compost. Let's keep our school floors clean!

Hot lunches will be starting tomorrow, with Pizza! If you are not sure if your parent has ordered Pizza for you, see your teacher who has a list of students who have purchased hot lunches.

Students, the games supplies will NOT be available today because so much of the game equipment is NOT being returned to the office. Please remind each other to be responsible and return all of the equipment to the office after use. So, today is a play outside day! Go out and enjoy the sunshine!

Grade 6 Students, your **immunization** consent forms are due in the office today. If you have not yet handed them in, please do so by the end of today.

Thank you to Divisions 6, 9 and 15 for returning their "**Healthy Snacks (Apple) Crates**" to the office. Teachers, please have a student bring the crates back to the office each time, after the fruit has been distributed.

Teachers: A friendly reminder that there will be a **Team Leader meeting today** at lunch, in the Fishbowl.

SPORTS - today:

Grade 6, 7 and 8 Girls soccer practice after school today

ALL Grade 6 Boys play soccer at lunch today in the gym

Grade 7 Boys Soccer practice today at lunch. Meet outside on the field.

Sports Tomorrow:

Girls grades 6, 7 and 8 basketball practice tomorrow after school, at 3 pm.

Grade 6 Boys soccer practice tomorrow after school
