Staff and students at GHMS will be participating in a ME to WE Campaign titled, "We Scare Hunger" from October 23 - November 3rd.

- The root cause of hunger in Canada is low income which affects over 4 million Canadians each year. Hunger affects people from all walks of life. When you come together to collect food for WE Scare Hunger, you can help ensure a family has food on the table. Our food drive will give us the opportunity to contribute to our local community and raise awareness of the root causes of hunger. Each month, more than 850,000 people in Canada turn to food banks for help; more than **one third are children and youth**. Food Bank use in Canada in 2016 was 28% higher than in 2008.
- Join us by filling our Grizzly Den with non-perishable food items (please check expiration dates). During our campaign, we will be reminding families to bring in a canned food item and parents/guardians are encouraged to bring in an item for parent/teacher conferences on Oct. 23rd and 24th.
- Let's Scare Away Hunger and make a difference in our community. Bring in your donations starting next week.
- Teachers, remind students to fill the den with canned food for the SCAs as well as remind parents to bring canned food items on Oct. 23 and 24
