The Hollow Log will be open at lunch today. Three grizzlies are signed up to help. Please bring your lunch to the Hollow Log at noon.

The Challenge Group session planned for today has been cancelled due to illness. Nevertheless, all students in the Challenge Group should pick up a permission form for the upcoming field trip as soon as possible. The forms are available in the library.

We are finding that some of the students who are taking our equipment and balls outside are leaving them outside. We have set up a sign out sheet for the equipment - please make sure you bring them in after use - these balls and equipment are costly!

All staff: please remember that we have a Staff Meeting in the library starting at 3 pm today.
