

Gordon Head Middle School
Thursday
June 14, 2018

TODAY is the last day to put in applications for the Byte Camp scholarship. You could win almost \$300 worth of course fees for a fun, week long course in music or video production, coding or animation. Get your form in the office.

Are you a grade 8 student interested in the trades? Camosun College is offering a week-long summer program in Carpentry, Welding or Automotive for only \$35. See Mrs. McAleer for details.

Today will be the LAST art club for the year. Please come to the art room at 12:15 to finish your cartoon drawings.

Anyone who was previously in art class, or art club, who has not picked up artwork they may want, please come to see Ms. Jones in the art room ASAP. This includes paper lanterns, paintings, clay sculptures and more! Please don't leave it, projects will be thrown out, if not claimed.

Our volunteer PAC parents will be serving up burritos for hot lunch today.

MUSIC:

Our Musical Theatre and Jazz Band Concert tonight is in the Lambrick Park Studio. Concert starts at 7 o'clock sharp. Come out for an awesome night of music.

Our Musical Theatre students will be at Lambrick Park Secondary all day today to practice for tonight's concert.

There is a brief meeting at nutrition break for all jazz band members in the music room.

Jazz Band members will meet Mrs. Blair in the LPSS library at 6:45. Remember to bring your instruments, music and any other equipment you need to make your instrument work. Take your instrument and music home after school as you will not be able to get into GHMS before the concert.

SPORTS:

Are you in Grade 8 going to LPSS next year? Wanting to join the Lambrick **Rowing Team** for September? Come and join us on Monday, June 18 at 3:15 in the library at Lambrick Park. That is next Monday. For more information, please see the information sheet on the yellow bulletin board outside the office.

There are still some sports jerseys out that students have not returned. Please bring these back as soon as possible as they are expensive to replace and we would rather spend school funds on other things rather than replacing jerseys.

It's a beautiful day outside and it is supposed to be great weather for the next two weeks, so today is an outside day, and we will be having outside days from now until the end of the school year.
