SPORTS:

Congratulations to the **Grade 7/8 Girls Basketball Team** who beat Arbutus last evening; the extremely close game went to overtime before our girls pulled ahead for a very narrow victory. Please also note that today's practice is cancelled for today as we will be hosting games in our gym right after school.

The **Grade 6/7 Girls Competitive Basketball Team** has a game after school today in the gym against Spencer Middle School. Team members, please meet in the gym right after school, ready to play.

Scorekeepers are needed today after school. If you are able to help with scorekeeping, please see Mr. Khosla.

Both the **Grade 8 Girls and Boys Basketball Teams** have games tomorrow after school here at Gordon Head.

The list of the **Intramural Basketball Teams** and the game schedule are up on the yellow bulletin board outside the office. The first two teams playing should be in the gym ready to go by 12:10. Good luck teams!

We have received a thank you message from our Morioka friends:

I hope this email finds you well. We returned to Japan on the night of Saturday, Nov 3rd, safe and sound.

Thank you very much again for accepting our junior high school students at Gordon Head Middle School. They seemed to have had such a great time that they couldn't stop talking about their experiences at the school even until they arrived at Morioka! We would like to express our sincere gratitude and appreciation for your kind understanding and support for this program as always.

I was truly amazed at how the teachers and students were close, how the students actively involved in classes, and how the school provided the students so many opportunities and options. Masamichi said he was able to learn a lot of new teaching methods for his students in Japan, too. I know I've said it many times already, but GHMS is such a wonderful school with amazing teachers and amazing students. We are grateful that our students were able to spend 3 days there and experience school life with their new friends.

Sincerely, **Sai Suzuki**
