

Gordon Head Middle School

Tuesday

October 6, 2020

- A reminder to students that if you leave the school early, you need to sign out at the office.
- Tomorrow is Picture Day. Pictures will take place in the library, so there will not be regular library visits tomorrow.
- Yesterday, a scooter went missing from outside, near the band room. If anyone has seen this scooter, please bring it to the office and it will be returned to its owner. Also, if you bring a bike to school, it's recommended that you lock it up as there have been times when bikes have also gone missing.
