

Gordon Head Middle School

Tuesday

February 1, 2022

- *gong hei fat choy - xin nian kuai le*. This is the year of the Tiger. If you are in grade 6 this is your year. Your sign shows you as being sensitive, emotional and brave. Our grade 7s are in the year of the ox. You are a born leader, inspire confidence and you are good with your hands. Our grade 8s are in the year of the rat. You are imaginative, charming and truly generous.
- Tune Tuesday - *Try a Little Kindness* (original by Glen Campbell, this cover done by Jann Arden to raise funds for children in need across Canada).
- A reminder that choir starts today for gr. 7s during the regular timetable in block 4. Gr. 6 and 8 choir will now practice outside the timetable at 7:50 on Wednesday mornings.
- Thank you to all classes for filling in the hearts to spread the message of kindness and anti-bullying for February. Leadership students will be collecting those this morning. Would all leadership students please meet in Mrs. Clark's room, across from the library, after the eating portion of lunch today.
- Congratulations to the grade 8 boys volleyball team who opened their season at Arbutus yesterday. Great teamwork in all 5 sets guys! You have a practice tomorrow after school.
- Grade 7 / 8 boys rec. volleyball have practice at lunch today. Please eat quickly and meet in the gym by 12:10.
- Good luck to the grade 7 girls in their game after school today. We need scorekeepers and line people for the game today. If you are able to help with this, please see Mr. D. as soon as possible.
- Would the grade 7 girls competitive volleyball team meet in Mr. D's room at nutrition break to pick up their uniforms for today's home game.
