- All musical theatre students (grade 7 and grade 8), please meet in the dance/drama room after school today. Again, it is VERY important that you attend. We perform one week from today!!
- Gabby and Tayte, please meet Mrs. Meadows in the dance/drama room at 12:15 today.
- Girls volleyball is cancelled for tomorrow morning.
- Congratulations to all the track athletes who participated in yesterday's City Championships. The Gordon Head team was a force at Cities, taking home top 5 finishes in most of the events we had athletes in. Everyone worked hard, and supported each other - both Miss Smith and Ms. Nelson were impressed with the students who were there! Shout out to Spencer B. who finished first in all three of his events and set a new city record in the 300 metre.
