

Gordon Head Middle School

Friday

January 13, 2023

- Thank you to Izzy and Ben for helping with announcements yesterday. We would like to call on leadership to make a plan and make this a regular thing.
- The gathering area is for grade 6s at lunch today. Reminder: if you are choosing to come into the gathering space in the morning, you are choosing to **not** use your phone as our school is a no cell phone zone (unless an adult says you can use the calculator etc). The other reminder is that after using the gatherings space and music room before school, please go out the doors to your usual line up spot (not going down the hall).
- Boys 8 comp. and girls 7 comp. have after school practices today from 3:00-4:30.
- Grade 7/8 rec. girls practice at lunch today. Eat as quickly as you can and meet in the gym as soon as you are done.
- All comp. teams will be starting their game play schedules very soon, so make sure you are in contact with your coaches for that information.
- Volleyball scorekeepers who signed up on our athletic board have a scorekeeper clinic at lunch on Monday in Mr. Owen's room with Mrs. Adamson. Please bring your lunch to start right away.
- The grade 8 boys comp. team is playing their first volleyball tournament after school on Monday. Players, please make sure that you have everything that you will need ready on Sunday night.
- Popcorn sales will be happening at the Hollow Log today, following the eating portion of lunch. Thank you to our helpers; Holly, Avery, Kira, Nadia and Akbar for volunteering to help out!
