

Gordon Head Middle School

Tuesday

March 7, 2023

- Welcome to our **TOCs today**: Ms. Sutton, Mr. Hotchin, Mr. Gardner and Mr. Dhillon
- **Happy birthday** today to Sam W.
- The **gathering space** will be open to grade 7 students for the lunch break today,
- Could all **band 7 students** please come during block 1 today.
- **Lost and Found**: This is the last week for these hoodies, coats etc to be found. Next week they will be donated to another organisation. Please come check out the rack in the gathering space and the bin in the front hallway.
- The **grade 8 boys comp team** played in the city final yesterday. They won their first match against Central and qualified for the first place game against an undefeated ROMS team. They were ahead in both games but ultimately lost 2 very evenly matched sets. The boys played really well and were the most sportsmanlike team on the court yesterday and for that they should feel really proud. Their coaches and manager certainly are! Well done team!
- **Grade 7 girls comp team** play their final league game after school today in our gym. With a good result they will also qualify for the city finals that are next week. Good luck team. Please be on time to help with set up.
- **Badminton sign up** will be happening later this week. Please stay tuned to announcements for when and where.
- **Girls field hockey** will also be having a meeting. Anyone interested are asked to go to a lunchtime meeting in Mr. Ross' room right after the eating portion of the lunch break.
