- Congratulations to our grade 8 badminton team who played at SMU last night. It was a night of steep competition and great sportsmanship. Our team even had cheerleaders who came out to support their friends. We have several players going on to city finals on Monday, including the Cohen/Cohen team, Evan/Sonic team, Sarah in girls singles and Yuhyeun in boys singles. (Sophie also qualified for grade 7 on Tuesday.) Thank you to all our other players who worked so hard.
- Today is early dismissal at 2pm for student-led conferences. Families are welcome back from 2:30-4:30 to see your class, your work and meet the staff you work with.
