- A huge Grizzly cheer for all 42 track and field athletes who competed in yesterday's city finals at UVic. Our team finished with 11 first place ribbons as well as 4 second place, 7 third place and another 17 top 10 ribbon winners. All athletes did GHMS proud as they competed fairly, exhibited great sportsmanship and cheered on teammates and many students from other schools too. Well done to our grade 8 track and field members, your high schools will be lucky to have you on their teams next year. Grade 6 and 7 will look to build on their successes next year here at Gordon Head. Thank you to all the students for their dedication to practice and doing their best. Thank you also to our staff, many of whom helped coach and manage throughout the season and especially to Mr. Owen.
