- The gathering space today is for grade 6s.
- Today's lunchtime club is chess.
- There will be a grade 7/8 choir practice at 12:15 today.
- Congratulations to all our grade 6/7 rec. teams on your games last night.
- Mr. Lamond's gr. 6/7 boys team had great games yesterday out at Dunsmuir. Excellent effort and teamwork from all players. Your next practice will be on Tuesday morning at 7:30.
- Well done also to Mr. Owen's and Mr. Douilliard's teams as they played their first games of the season. Both teams played very well, had more chances to score than their opposition and should be proud of their efforts. Next practices will be announced early next week.
- The boys 7/8 rec. team plays at North Saanich after school on Monday. Players, make sure you come to school prepared so we can leave on time.
- Leadership students, please check your Google Classroom today! This is important, as we go to the Victorian on Monday.
- As we look ahead to next Friday's Remembrance Day assembly, we are looking for anyone who is a Guide, Scout or Cadet who would like to be part of our *colour party* to please sign up at the office.
