

Gordon Head Middle School  
Thursday  
December 21, 2023

- The gathering space today is for grade 6 students at lunch.
- Today's hot lunch is pizza.
- GSA club, remember that we are eating lunch together today so come to the library right after the bell or as soon as you have your pizza. The library will be closed at lunch except for those participating in GSA club.
- The gym will be open today and tomorrow.
- The library will be closed tomorrow so make sure to stock up on books for the holidays by the end of today!
- Today is the big day for voting for your favourite bulletin board. Everyone should get three tokens for voting. You may vote for your favourite grade 6 one by placing your token in an envelope on a board that says 6 in the right hand corner; do the same for 7 and 8. Please do your voting this morning so the counting can happen over lunch break. Remember you cannot vote for your own!
- Leadership students who volunteered to do the chip counting last week, please come to the art room at lunch playing time to count and help prepare hot chocolate prizes.
- Remember that tomorrow morning is the family pancake breakfast.
