

Gordon Head Middle School

Friday

April 19, 2024

- The boys grade 7/8 rugby teams had their first games after school yesterday against an experienced and tough SMU team. Our boys played well, many playing for the first time. There was a lot of learning and they started to get some momentum and scored some tries towards the end of the final game. This group will practise after school on Monday and Tuesday next week.
- Congratulations to our girls field hockey team as they played after school yesterday and won their games convincingly. They have quickly become a very good group of team players that has been coached very well by Mr. Ross. Well done and good luck next week. Your practice next week is after school on Wednesday instead of Tuesday.
- Badminton exhibition games are after school in our gym next Tuesday. Players, make sure you are aware when you sign up on Monday.
- Chess club is cancelled today.
- Kernels popcorn will be for sale in the Hollow Log at lunchtime today for \$2 per bag. Money raised will go toward grade 8 year end celebrations.
- A yearbook order form is going home today in the Grizzly Gazette.
