

Gordon Head Middle School

Wednesday

May 29, 2024

- Library club meets today at lunch after the eating period.
- Tomorrow's (not so) hot lunch is sushi. Please check the order list with your teacher today if you are unsure whether you have an order coming.
- There is no Pokemon and Magic club tomorrow as Darren is away on a class trip, but it will resume next week.
- Musical theatre group, there are several important practices today. All members please meet in the dance/drama room at nutrition break for Hand Jive. At lunch recess (12:15), boys will meet in the music room for Greased Lightning. All members meet at 3:00 for a full cast rehearsal in the music room.
- As we enter into the final month of the school year, it is going to be important for students to remember that electronic devices/phones are not to be used on school grounds during school hours. We have started to see an increase in phone use and staff would appreciate not having to constantly remind some students of expectations. Use may result in your devices being kept in the office until your parents can come retrieve them.
- Yesterday, our visit to Camp Imadene was an amazing experience for all. Despite the ever changing weather, our students participated in some really wonderful activities like laser tag, pedal go karts, video games, soccer, baseball and swimming in the lake. The staff who went along want to express to our grade 8's that their behavior and participation was great. There were little to no issues and that bodes well for us to return next year with our current grade 7's. I have a small pile of lost and found in my office for anyone who might have left something behind.
- Track and Field Meet #4 is today after school. There will be a meeting at nutrition break in the gym today to confirm participation in the 4 x 100m relays as well as for boys in the city finals for discus, and all runners who qualified in the 2000m.
- Relay runners will also have a short practice at lunch. Please come to the gym at noon with your lunches.
