**September 5, 2024**

- Hallways are to be clear before school except for the gathering space.
- There will be a soccer meeting today in the gym at lunch for all grade 7 and 8 students who are interested. After you have been dismissed from eating in your advisory rooms, please join Mr. Owen in our gymnasium.
- There will be a leadership meeting tomorrow at lunch in gathering space to sign up for various leadership committees.
- GSA Club meets today in the library at lunch. GSA is a safe and friendly hangout where everyone is welcome no matter who they are or who they love. Sometimes we do fun activities, sometimes we talk about important things like LGBTQ+ rights. If you'd like to see what it's all about, please bring your lunch with you to the library right at the beginning of the lunch period.
