

Gordon Head Middle School

Tuesday

September 10, 2024

- Leadership meets today at lunch for Broadcasting Leaders. Please meet in the art room at 12:12 after you have been dismissed from eating.
- Students, please make sure you stay out of the areas our painters have closed off with cones and caution tape. It is really important to keep clear of the areas for your own safety.
- All students crossing Kenmore Road, you **must** use the crosswalk to get to the bus stop on the other side of Kenmore. We have had too many close calls with students running across to get the bus.
- Cross country athletes have their first practice run today at lunch. Please meet right at the start of lunch (noon) in the gathering space. Mr. Hotchin will meet you and walk you over to the chip trail. Bring your lunches so you can eat after you have finished running.
- Grade 7 and 8 soccer players have their first session after school today. Students, please meet Mr. Owen and Mr. D. outside the gym doors, ready to go at 3pm.
