- Chess club will be running after the eating portion of lunch in the library. You are also welcome to come and read a book during this time.
- A huge congratulations to all cross country runners for coming out and having a great run in the rain yesterday. There were several personal best results and even a first place finish for Garrett in grade 6. Congratulations!! Our next practice will be Tuesday at lunch. The list for the grade 6/7 boys comp. basketball team will be posted in the gathering space today after lunch.
- Boys interested in playing rec. basketball this year will be having a meeting next week. Stay tuned for details.
- All girls interested in playing basketball at either the rec. or comp. levels will have a meeting in the gym at lunch next Tuesday (first day back from the long weekend).
- Grade 7/8 soccer players will have practice next week. We will have it at lunch again and will confirm the day on the announcements Tuesday morning.
- Please note that when you have a choice of activities at recess or lunch, like chess club, you must decide at the beginning of the break which activity you will do and **stay there**. If you decide to go outside you need to **stay outside**. Students cannot be going in and out and changing their minds.
- Remember there is no school on Monday. Have a great weekend!
