- Lego club will be running after the eating portion of lunch in the library. You are also welcome to come read a book during this time.
- Choir and musical theatre will be happening today.
- Thank you to our helpers who helped resolve the vandalism in the boys bathroom yesterday. Please remember to be respectful in all of our spaces.
- A big congratulations to the grade 8 boys comp. basketball team on their valiant effort against CML yesterday in the playoffs. A short-handed squad took a lead early, but tiredness set in, and gave CML a chance to win the game. The boys should be proud of their season, as they accomplished so much. Well done to you all! Please hold on to your uniforms until after the team photo on Friday, then we can make sure you wash them before they are returned.
- The girls 7/8 comp. team also played yesterday. After being down early on, the girls fought back to make the game close but lost in the end to a strong ROMS team. Earlier in the season, these 2 teams played and the game was not close. Their efforts in the game yesterday showed just how much they have come together and improved over the season. Congratulations on a super season; be proud of your efforts because all of GHMS certainly is!
- Boys 6/7 comp. team travels to Monterey and the girls 6/7 comp. team goes to Bayside for their respective playoff games today. Best of luck - go Grizzlies! Teachers, an email was sent yesterday detailing the need for these players to leave school early today. Thank you for letting this happen.
- Thank you so much to everyone who has been a scorekeeper for our home games this basketball season. We have one or two games next Tuesday, December 3rd, needing people. If you can help that day, please see Mrs. Adamson.
