- A big congratulations to the grade 7 girls comp. team on their wins and strong teamwork last night in the semi-finals against Journey and Royal Oak. They are off to the City Finals next week. Remember that you have practice tomorrow afterschool. Thank you to our scorekeepers and lines people for all your help last night.

- Mrs. Gibbs' grade 8 girls comp. team has their final playoff game at Monterey after school today. Players, please check in with Mrs. Gibbs in the gathering space after school before heading off to the game.
