

Gordon Head Middle School

Friday

April 25, 2025

- Chess Club meets today after the eating portion of lunch in the library.
- Dance practice today is after school from 3-5PM for ALL dancers in the GYM for our full dress rehearsal. Please meet Mrs. Knapp in the dance/drama room first to get your costumes.
- Musical theatre practices are happening today for Our Last Summer/Dancing Queen at nutrition break and for Mama Mia at 12:15 - both in the dance/drama room.
- There will be grade 8 badminton in the gym at lunch today.
- The list for next week's badminton playoffs at SMUS is up on the board outside the office. They start at 2:30, so players will need to connect with their teachers about leaving at 2PM on their game days. We will have nutrition break meetings on the days of your playoffs.
- Girls rugby has practice after school on Monday.
- We are very excited to see that our painters are back to finish the areas that have not been done. You will notice the outside of our school being painted from now until the end of the school year. Please be very respectful and stay clear of the areas they are working in and the areas that say wet paint. Please help keep our school beautiful and fresh for as long as possible.
