- **Congratulations to all of our badminton city finalists!** Our athletes represented the school exceptionally well at the tournament held at SMUS after school yesterday. In grade 7 doubles, Cole and Mason secured a strong 4th place finish, while Leo and Oscar from Grade 6 placed 3rd in their doubles finals. In the Grade 6 girls' singles final, Treasure played a close and competitive match, narrowly falling to Karmela. A huge shoutout to Lucy, who took home 1st place in the grade 8 girls' singles final! Well done all players, your hard work and sportsmanship made us proud. Great job Grizzlies!
