

Gordon Head Middle School

Monday

May 12, 2025

- Welcome to our TOC today, Ms. Giesbrecht.
- Happy birthday to Stella B. and Mrs. Hoyt.
- Division 2, Mrs. Clark's class, is responsible for grounds clean up this week. Thank you for looking after our outside areas.
- This week is Rainbow Week at schools across Greater Victoria. We are always working to make our school a safe, caring and welcoming space for ALL of our students and staff. During Rainbow Week, we are particularly thinking of those from the 2SLGBTQIA+ community. To help celebrate and honour this community, our school will be flying the Progress Pride Flag all week and our GSA club will be hosting events in the library. Today is button-making at lunch - come down after the eating period to create your very own Rainbow-friendly button. We would also like to share some queer facts with you each day. For example, did you know that the coloured stripes on the Progress Pride Flag stand for life, healing, sunlight, nature, serenity and spirit while the triangles specifically include trans people and people of colour.
- The **library clicker for nutrition break today** is Mia K.
- Team photos for volleyball will be today at lunch in the gathering space. On Tuesday, we will do team photos for rugby, badminton and field hockey. Please meet for photos after the eating time.
- There will be a yearbook meeting at lunch today in the art room.
- *Grizzlies field final field hockey event* is happening **Monday from 3:00 to 4:00 PM in the gym**. To be placed on a team, you **must confirm your participation by nutrition break today**. Check off your name on the board outside the office.
- There is a mandatory meeting for all girls rugby players in Mr. Owen's room at nutrition break today. A decision will be made depending on our numbers for our game this week and for next week's tournament
- The track meet this week is 100m, 4x100m practice, triple jump for all, and girls high jump. We will have grade 6 girls high jump try outs tomorrow at lunch hour.
