

**Gordon Head Middle School**

**Tuesday**

**May 27, 2025**

- It's the last week of the month, so come to the library to play a variety of board games after the eating portion of lunch!
- There is no choir practice today as Mrs. Meadows is at Camp Imadene with her grade 8 class. HOWEVER, there IS a choir practice tomorrow morning before school at 7:50. It is very important that you are all there.
- Rugby has now concluded for the year. Special thanks to Ms. Boscik, Tyler Theman and Jace Peters, Avalon and Madea for coaching all three of our teams. Final thank you meetings will take place in the next few weeks, so players, stay tuned. Also, there is one jersey that has yet to be returned. Players, please look to see if it is yours and return it ASAP.
