- Lego Club is happening today at lunch after the eating period.
- Math Challengers is happening today after school in the library. This is a great club for anyone who likes math puzzles and finding different ways to show what they know. See Ms. Aerts if you have questions. Please wait in the gathering space until your Mt. Doug coaches arrive.
- Today's basketball practices are for the 7/8 girls comp. team over the lunch break; please bring your lunches to the gym at the bell and after school both 6/7 boys comp. teams practice from 3:00-4:15.
- Cross country runners, come to the gym before you eat your lunch today. We will have a nice run in the sun to prepare for this week's race at UVic.
