- Chess Club runs after the eating portion of lunch in the library.
- Musical Theatre practice today is at lunch in the dance/drama room for the So Long, Farewell group.
- Any dancers with hoodie forms, please bring them to Mrs. Knapp at nutrition break today. Otherwise, please bring them to practice next Wednesday.
- Head to the Hollow Log right after the eating period to grab your popcorn - fresh, hot, and delicious. Regular bags are \$2, or treat yourself to a jumbo for \$5. Remember: buy it, then enjoy it *outside*. Let's make lunch smell like a movie theatre!
- It was another beautiful race for our strong cross country team at UVic yesterday with Theo and Anna once again winning their age groups and many top 20 finishers! We are so proud of our dedicated runners, especially the way they support and encourage one another. Runners, please bring your jerseys to Mrs. Clark this morning. Thanks!
- Basketball practice today at lunch is for all girls 6/7 and 8 to finalize your teams. Please come at the lunch bell and bring your food with you.
