- We want to extend a huge congratulations to all of our cross country runners who took part this season, whether as a practice runner or someone who came to races. We have a strong and positive group of runners in our school and we are so proud of them. In grade 6, Theo and Anna won their last races of the season which means they are both undefeated this year. We had a really strong showing among all of our runners yesterday, but we are most impressed with their sportsmanship. They represented Gordon Head beautifully.
