

## Gordon Head Middle School

Tuesday

January 20, 2026

- Lego Club is running after the eating portion in the Library, see you there!
- Attention Coding Club - There will be no coding club tomorrow. If your robot is not ready to show off tonight, please find time during lunch to complete it.
- Alright Gordon Head, listen up. If you like games, food, and hanging out with your friends and family, this one's for you. Board Game Night is happening tonight from 5:30 to 7:00 right here at Gordon Head. There will be lots of board games, pizza and snacks, Lego building, Magic the Gathering, and awesome robotics and coding projects to check out. Bring your friends and family and come hang out tonight. It's going to be a great night.
- **Volleyball:**
  - Today our grade 6s start their season with a game at Arbutus.
  - At lunch today, grade 6 comp. boys have practice and the grade 8 girls Team Blue does, too. Please bring your lunches to the gym at noon and come down right away to help set up.
  - After school, grade 8 girls Team Red and team 1 and 2 girls rec. teams practice from 3:00-4:15.
  - Tomorrow morning, grade 6 boys comp. team and 7 girls comp. team both practice from 7:30-8:30.
- We are still looking for scorekeepers for tomorrow after school when our grade 8 girls host our first game. It is a lot easier than basketball scorekeeping and super fun. If you are able to help, please see Mrs. Adamson today or sign up on our athletic board. The rest of our home games are also on the board and we are looking for scorekeepers and lines people for all of our games
