- Battle of the Books Team: we are having a regular meeting at lunch today starting right after the bell. Bring your books with you, we're going to start making questions!
- Pokemon and Magic club is happening after the eating portion of lunch in the home ec. room.
- If you are one of the leadership students planning to attend the Songhees Mental Health Summit with Mrs. Adamson and you have not received your permission form, please come get it today.
- Tomorrow is your last chance to order your hoodie. We are putting in our back up order tomorrow and will need to know for sure if you are interested. We will sort out how to pay and how much next week. It will be approximately \$38.00.
- Popcornalooza is happening tomorrow at lunch. Fresh, buttery movie theatre popcorn will be sold at the Hollow Log after the eating period: \$2.00 for a regular bag or \$5.00 for a large one. Be sure to stop by and treat yourself before the weekend begins.
- Today's fun lunch is pizza.
- **Volleyball:**
- Grade 6 boys comp. team has a game after school today at Lansdowne and 7 comp. boys have a game at Arbutus. Both teams start right at 3:45, so be there as soon as possible to warm up and remember your jersey!
- Team 3 hosts today after school and we have two nets, so need lots of scorekeepers. So far we have Jayden, Masal and Sienna but we really need three more people to help if you are available from 3:45-5:40.
- Team 1 and 2 as well as 6 girls comp. have practice at lunch today.
- Grade 8 girls team Blue - You DO NOT have practice after school today. That was a mistake on yesterday's announcements. Your next practice is tomorrow morning at 7:30 along with the grade 8 boys.
