- Grade 6/7 boys rugby players have their first match today at Shoreline. Players, please meet Mrs. Adamson at lunch break in the gathering space to get your jerseys and coordinate rides. If you are in badminton, please come right away to see Mrs. Adamson and then head off to badminton, it will not take long.
- The Math Challengers group will begin meeting again today after school. Please wait in the gathering space until the leaders arrive. Also, there will be a brief meeting in the library today at nutrition break for anyone who went to February's competition.
- **Jerseys:** We are very low on jerseys since many have not been turned in from our basketball and volleyball seasons. If you have a jersey out there, please return it to Mrs. Adamson ASAP as we have new sports needing them as of this week.

Rec. badminton will be at lunch on Friday. Also, we are hosting Arbutus tomorrow after school for some of our comp. players; more details on who will be involved is coming.
