- Congratulations to all our grade 8s who had a fabulous evening last night. If you missed it and are here today, please stop by the office for your certificate and gift.
- Tomorrow is the last Pokemon and Magic club at lunch, so don't forget your cards!
- The ping pong challenge is ramping up today. If you are around today and want to challenge someone, the area will be open at nutrition break and lunch. Please see Mrs. Adamson to help supervise.
- Remember that tomorrow we have our Grizzly Gathering in blocks 3 and 4.
